ABOUT CHERITH BROOK

Community—*Cherith Brook is a residential Christian community committed to sharing table fellowship with strangers, and all our resources with one another. We have found our inspiration from the early church, the Church of the Savior, and the Catholic Worker.*

Mercy—*Our daily lives are structured around practicing the works of mercy as found in Jesus' teachings. We are committed to regularly feeding the hungry, clothing the naked, giving drink to the thirsty, welcoming the stranger, visiting the prisoner and the sick in the name of Jesus.*

Peacemaking—*As followers of Jesus, we understand our lives to be centered in God's Shalom. Cherith Brook strives to be a "school" for peacemaking in all its dimensions: political, communal, and personal, working constantly to undo poverty, racism and militarism.*

These three orbs can be summed up as the struggle to connect with the God of life. We pray that Cherith Brook is a space where all of us—the broken—can come to learn and relearn the ways of Jesus; a place to struggle together for God's call of love, mercy, peace and justice.

Amen I say to you, as long as you did it to one of these my least brethren, you did it to me. Matthew 25:40
